### Description

The Tamper Resistant Vision Window is perfect for public areas where restricted access is necessary to prevent damage and unauthorised operation of the control panel. The cover features a fully welded steel construction and key lockable inner door making it robust and secure.

The Vision Window is available from stock, fully assembled, and can be fitted on site in minutes by simply removing the hinge pins on the existing enclosure and removing the lid before fitting the new

Vision Window cover and hinge pins. Control panels can also be supplied pre-fitted with the Vision Window on any M2, H2, M3, and H3 size control panels.

Take out both hinge pins & remove lid

Fit the Vision Window, then re-fit both hinge pins
